

The Baldwin County Drug Court Foundation, Inc.

WHAT: Thirteenth Annual “Knowing You Can Make The Difference” Foundation event benefitting the Baldwin County Drug Court Foundation will feature Danny Trejo, who has developed a prolific career in the entertainment industry with a hard earned and atypical road to success. From years of imprisonment to helping troubled youth battle drug addictions, from acting to producing, and now on to restaurant ventures. Trejo's name, face, and achievements are well recognized in Hollywood and beyond, but it is his continuous role as a devoted father of three and an intervention counselor that bring him the most satisfaction. Trejo has starred in dozens of films including Con Air, Once upon a Time in Mexico, Spy Kids, Machete, and Machete Kills. Trejo also released his fearlessly honest memoir Trejo: My Life of Crime, Redemption, and Hollywood in July 2021. Dinner by Naman’s.

WHERE: Daphne Civic Center, 2603 US Highway 98, Daphne, Alabama 36526

WHEN: Thursday, September 14, 2023
Main Event begins promptly at 6:00 P.M. and ends at 8:00 P.M.
VIP Sponsor Reception begins at 8:00 P.M. and ends at 9:00 P.M.

WHO: Join hundreds of attendees including local and regional elected government officials, judiciary, court personnel, law enforcement, business professionals, physicians and mental health providers, treatment providers, and many tireless volunteers in our community.

WHY: The Drug Court Program was founded in 2007 to promote justice through uniformity in judicial proceedings and cohesive educational and rehabilitative efforts to meet the needs of those with drug and alcohol addiction to save lives, reduce future criminal conduct, and return people to normal, productive lives. The Foundation was created to provide educational outreach and supplement these rehabilitative efforts through the Courts by providing resources for educational intervention in our community and promoting accurate and proactive community awareness. We have reached over 10,000 middle school students with our educational programs after recognizing the average age a child first experiments with drugs is at 13 years old.

Once you have chosen your sponsorship package, please return it to the Foundation at the below address. To meet publication deadlines, a commitment is needed by no later than August 18, 2023.
